

Directions to the New USADance Location in Pooler

Take I-95 to Exit 102. If you are coming from the South (e.g., Richmond Hill) turn left (west) off the exit. If you are coming from the North, (e.g., Hilton Head or Effingham), turn right (west) off the exit. The studio is less than ½ mile from the Interstate. You will immediately pass a Wendy's on your right, and then between Lovezolla's Pizza and The Western Sizzler – both on your right you make a U-Turn. The studio is directly across the street from those two restaurants in a strip mall.

Note: There is a median, so you will have to make a U-turn. Between the two restaurants is a shell gas station on your left. The small road located in front of the gas station, is the ideal place to make the U-turn. There is a large parking lot located in front of the studio.
